

## Consulting Internship

Centrec Consulting Group, LLC, is offering consulting internships for the Summer of 2024. Centrec is a management consulting firm with clients in the food and agricultural sectors. Our office is in Savoy, Illinois. Please visit [www.centrec.com](http://www.centrec.com), for additional background about the firm.

Candidates include individuals with an interest in gaining consulting experience who are working towards degrees in Agricultural Economics, Finance, Economics, or Accounting, and are in their junior or senior year or in graduate school. Individuals pursuing other degrees who possess a solid foundational knowledge of U.S. agricultural systems and the skills outlined below are also encouraged to apply.

Required skills include the following:

- Research – the ability to conduct research independently on business-related topics.
- Microsoft Office programs – effectively use Excel, Word, PowerPoint, Power BI, Power Query, and SQL Database to conduct analysis, document processes, present results, and organize data.
- Written and verbal communication – the ability to write and communicate clearly, thoroughly, and effectively.
- Logic and problem solving – the ability to conduct strategic assessment of issues, analyze issues thoroughly, and creatively develop solutions to business problems.
- Team-working – a self-starter with the ability to work with a group of individuals on a project, meet deadlines, think creatively, and contribute as a team member.

The intern's role will be to assist Centrec's professional staff in providing consulting services to our clients. Internship activities with this position may include, but are not limited to, the following:

- Financial and credit analysis of food and agricultural business entities
- Statistical and economic analysis
- Data analysis and visualization (Microsoft Power Query and Power BI)
- Financial projections, budgets, and analysis
- Research, writing and training material development
- Presentation of findings to team members or clients

Interested applicants are invited to submit a resume and cover letter through the Handshake system or email [careers@centrec.com](mailto:careers@centrec.com).
